## Elkins Rehabilitation & Care Center

### EMPLOYEE OF THE MONTH

**Tyler Gum, LPN**

Congratulations goes out to Tyler for Employee for the month of March. Tyler graduated from Tygart Valley High School in 2013; Fairmont State in 2017 and Randolph County LPN Nursing Program at Vo Tech in 2019. He is the son of Tawnya and Scottie Gum from Valley Bend and is currently living in Buckhannon with his wife, Paige. They are expecting their first child soon. He has been employed at ERCC for 1 ½ years and is currently working on the night shift 7PM to 7AM.

Coronavirus Pandemic----- Stanley Gould, ERCC Residents' Council President Statement

We all are affected by it; and we need to work together so that it will not be a long ongoing virus. It is hard being separated from family members and friends: but remember, together we can whip this! I feel we are being taken care of very well. We want to put our family members' minds to rest; and not have them worry about us. I would like to thank the Rehab staff, B. Hitt FNP, doctors, & nursing staff for their care; dietary staff for meals, maintenance for keeping things running, activity staff for providing us with socialization inside-- and entertainment. Environmental staff for keeping our rooms disinfected, and administration for keeping us informed of what is happening and what they are trying to do. Mrs. Tara Shaver, Administrator, has been on top of this from day one. As president of Residents' Council: "we are West Virginia, we WILL get through this before you know it with God's help".

Due to several measures taken by ERCC because of the Coronavirus pandemic, residents were entertained with bingo, music, "window visits and messages for the family. A huge thank you to Administration and staff members!

In addition, many thanks goes out to Residents Council for the pizza luncheon provided for staff on March 19.

**WE LOVE ERCC!**

Employees got a **BIG SURPRISE** on Friday, March 27. The Board of Directors and Tara Shaver, Administrator, gave each employee an Appreciation Bonus; along with a letter telling us how much they appreciate our service and dedication. They stressed to us that we are essential to ERCC and want us to remind ourselves of this daily. **“We WILL get through this crisis....TOGETHER!”** ERCC is also helping with childcare issues that staff may face related to school closing during COVID-19. We, as employees are **PROUD** to say we work at ERCC and thanks goes out to our Board of Directors and our Administrator for all they do for us.
