AVOID COVID-19 SCAMS

Scammers are taking advantage of fears surrounding COVID-19 to steal money and personal information. **Don't let them.**

Protect Yourself

Hang up on robocalls.

Scammers are using illegal robocalls to pitch everything from scam Coronavirus treatments to work-at-home schemes.

Verify information.

Contact trusted sources to confirm information is correct. For the most up-to-date information about the Coronavirus, visit the Centers for Disease Control and Prevention (CDC) at www.cdc.gov.

Know who you're buying from.

Online sellers may claim to have in-demand products, like cleaning, household, and health and medical supplies when, in fact, they don't.

Don't click on links from sources you don't know.

They could download viruses onto your computer or device.

Do your homework.

Don't let anyone rush you into making a donation. If someone wants donations in cash, by gift card, or by wiring money, don't do it.
